

THE ARTS CENTER

culture builds community

Member Spotlight

"Before becoming an Art Center board member, I didn't realize how much the Art Center contributes to our community and how much it would influence my life. After taking some classes in drawing, watercolor, and acrylics (that were way out of my comfort zone) I produced art that I can proudly display under my couch. I now take the time to look at the mix of colors in nature, especially in clouds. I have the confidence to try new things that are outside of the box. Thank you Arts Center for helping me discover the artist in me!"

~Laurel Haroldson, *President of The Arts Center's Board of Directors*
