# NEWS FROM OUR DIRECTOR

## Thank you for helping make our "Raising the Bar for the Arts" campaign a success – we're almost there!

The generosity of this community has been truly overwhelming. What began as a simple need – more space for our overflowing Arts After School classes – has grown into something extraordinary. With waiting lists for every session and a vision to expand programming to include middle school students, we knew we had to act.

Then, during the uncertainty of the COVID pandemic, the Wonder Bar closed its doors – and we saw opportunity. That building is now becoming a vibrant part of our future, and it's all thanks to supporters like you.

We're so close to the finish line – and it's your belief in the power of the arts and this community that's getting us there.

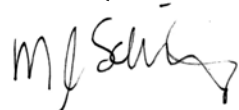

We're excited to announce a Community Reception and Culinary Kitchen Grand Opening on October 30th from 6:00–9:00 PM. Please mark your calendars and help us celebrate this incredible milestone!

In the meantime, if you're curious to see the new space before the big day, feel free to stop by—I'd be happy to give you a personal tour.

As you can see in this newsletter, there's always something happening at The Arts Center! We're constantly exploring new class ideas and looking for enthusiastic instructors to share their talents.

As we like to say, "You don't have to be a professional to teach a class – just passionate about your craft." If you have a skill or creative hobby you love, we'd love to hear from you!

Sincerely,

Mindi Schmitz

# Expansion Updates

Dear Arts Center Friends and Supporters,

The walls are going up - literally!

Thanks to your continued generosity, the Arts Center Expansion is moving full steam ahead. We've officially reached some exciting construction milestones:

- New windows are installed
- Electrical and plumbing work is underway
- Framing is complete and drywall is next
- Connection between the original and new building is open

Every beam, wire, and wall brings us closer to a space that will triple our capacity and allow us to offer expanded arts education, youth programming, art therapy, and even culinary arts. But we still need your help to bring it all to life.

We've raised \$1.9 million of our \$2.4 million goal, and we're calling on our community to help us raise the final \$500,000. Whether it's \$25 or \$25,000, every gift matters—and every dollar helps us move closer to a Fall 2025 Grand Opening!

## Come Take a Tour!

We're offering guided tours every Thursday at 5:30PM during the Downtown Arts Market. Come enjoy the free concerts, local vendors, and step inside the new space to see how your support is shaping the future of the arts in Jamestown.

Ready to be a part of it? Donate, pledge or explore naming opportunities online. Let's finish strong - for our kids, our community, and the creative future of Jamestown!

## 61<sup>st</sup> ANNUAL ART SHOW

October 23 - Dec 13, 2025

### JUROR FOR PRIZES: Raechel Cook

*Photo by Carolyn de Berry*

Raechel Cook (she/her) is a dot connector, experience constructor, and Associate Curator of Academic Programming at the Weatherspoon Art Museum. She believes the arts are part of a complete breakfast and integral to a holistic education. She works with faculty, staff, and students from all academic disciplines to facilitate meaningful art encounters.

Raechel received an MFA in Textiles from the University of Kansas (KU) and a BA in Visual Art from the University of Northern Colorado. Her thesis work, *The Inner Life of Nouns*, had nothing to do with textiles and instead explored collecting, our relationship with everyday objects, and how those things acquire meaning. Raechel discovered that “academic programming” at university museums was an actual job during graduate school while working as the Andrew W. Mellon Academic Programs Intern at the Spencer Museum of Art at KU.

Most recently, Raechel served as the Curator of Academic Engagement at the University of Wyoming (UW) Art Museum in Laramie, WY. Before arriving at UW, she managed several undergraduate certificate programs at KU and specialized in completing tasks that did not fit neatly into someone else’s job description. In her spare time, you can find Raechel napping, making whimsical gifts for people, hiking, or at the farmer’s market asking a total stranger if she can pet their dog.
